WHO WE ARE

About ArmNewTech

ArmNewTech supplies new and certified refurbished medical equipment to healthcare facilities in 52 countries — clinics, diagnostic centers and distributors — since 2015.

With local partners across Europe and Asia, we support each project end-to-end: supply, worldwide logistics, siting and installation, user training and after-sales service. Our European headquarters is in Riga, Latvia, with an office in Herzliya, Israel.

ArmNewTech operates as SIA FIT ALLIANCE GROUP, Reg. No 40203698031 (Riga, Latvia) — full legal compliance, CE / FDA documentation.

KEY FIGURES

2015

on the market since

52

countries supplied

152

models in the catalog

15

equipment categories

26

manufacturers represented

12 mo

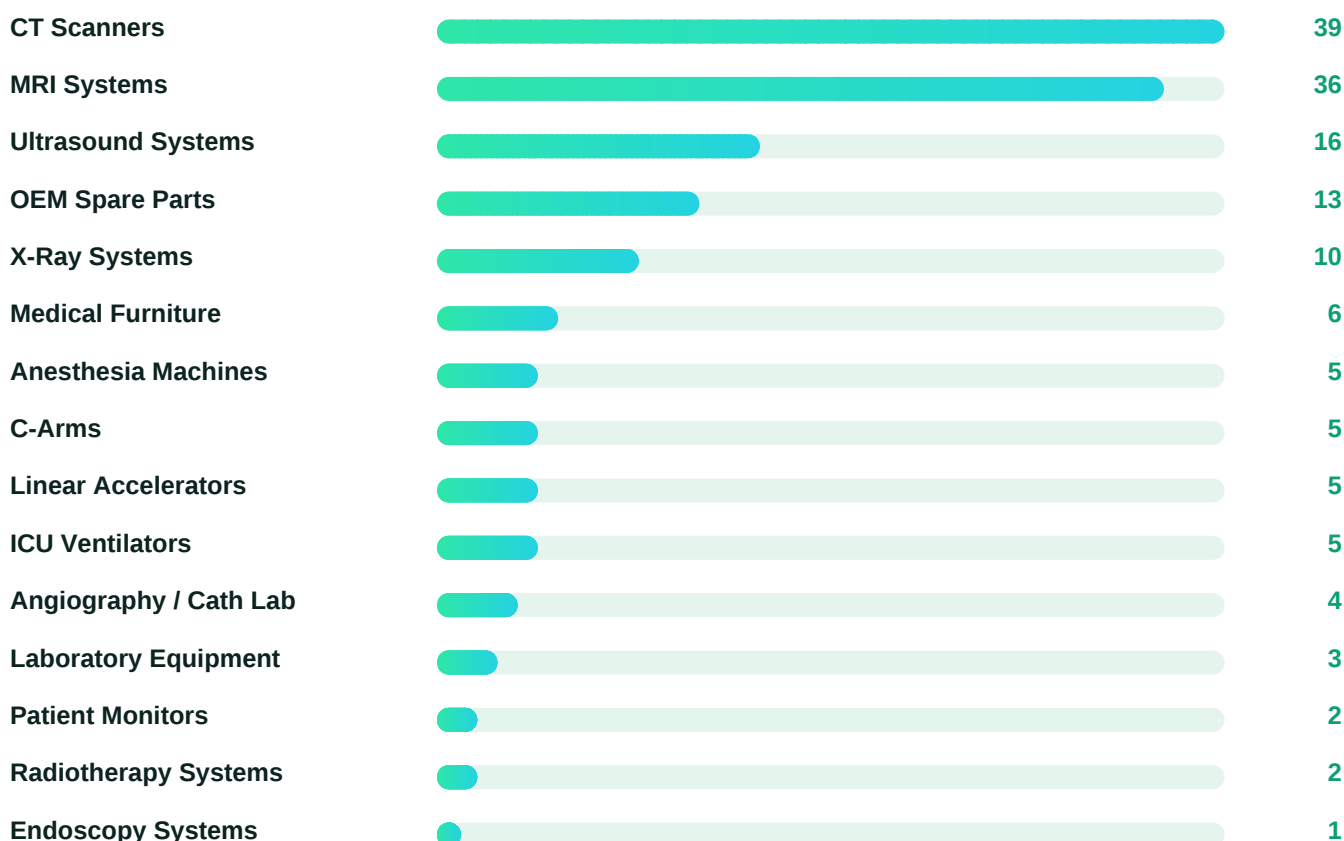

standard warranty

Typical delivery time is 2–5 months depending on the system, condition and configuration. Prices are indicative for the base configuration; an exact specification and commercial offer are prepared on request. Trade-in of existing equipment is possible and discussed individually.

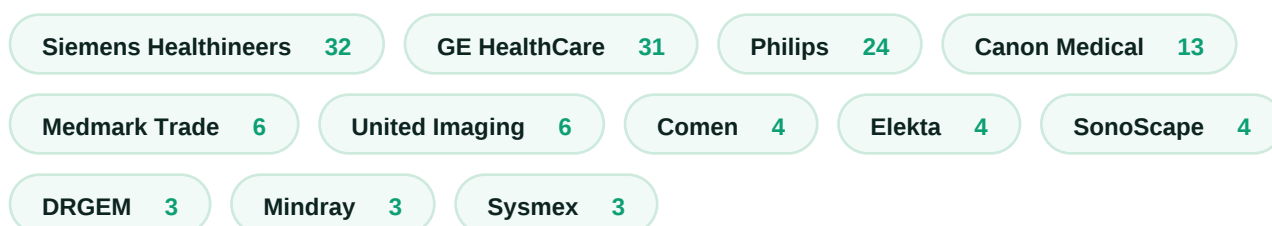

WHAT WE SUPPLY

Equipment Portfolio

152 models across 15 categories — new and certified refurbished, plus OEM spare parts from stock.

KEY BRANDS

+ 14 more manufacturers across imaging, life support, laboratory and medical furniture.

HOW WE WORK

Services — the Full Commercial Cycle

One contract covers the whole project — from sourcing the system to the first patient.

Supply

New and certified refurbished systems; exact specification and commercial offer prepared on request.

Worldwide Logistics

Insured DAP / CIF / EXW shipping, deinstallation, rigging, export and customs paperwork.

Siting & Installation

Rigging, siting, installation, acceptance testing and software configuration.

Training & Support

User training, 24/7 phone and remote assistance, onsite engineer visits.

Service & Maintenance

Preventive maintenance and post-warranty service contracts with guaranteed parts availability.

12-Month Warranty

Standard warranty on certified refurbished systems; extended coverage available.

AI Consultant on armnewtech.com

AI search for medical equipment in 30 seconds: ask in any language, get matching models and a personal price offer in minutes. Our team follows up with a formal PDF quotation, or continues the conversation on WhatsApp / Telegram / e-mail.

Also available: certified multi-point refurbishment to OEM specifications, turnkey projects (room planning and RF shielding to first patient), trade-in and financing solutions — leasing, installments, SBLC / LC.
